DIVISION NEWS ~ UPDATES

Meet your new Board of Directors
for the Campbell River Division of Family Practice

At our AGM in December, while we were able to announce the directors for the Division Board, we had yet to determine their roles. It is now official:

Chair – **Dr. Angela Logan**
Vice Chair – **Dr. Jan Coetzee**
Treasurer – **David Kruyt - BBA, FCPA, FCMA, ICD.D (Accountant)**
Directors – **Dr. Ninette Fourie; Kari Miller, R2; Sophie Waterman, R1**

From Left to Right: Back Row - David Kruyt; Sophie Waterman (R1). Front Row - Dr. Angela Logan; Kari Miller (R2); Dr. Jan Coetzee; and Dr. Ninette Fourie

Soon to be added to the Division leadership this coming April is the Physicians Advisory Committee comprised of 3 physician leads: **Dr.s Willem Prinsloo, Gunther Klein and Jordyn Vanderveen**. The primary role of this committee is to:

- * Monitor current Division project/initiatives activities
- * Recommend to the Board externally funded project opportunities
- * Engage members and partners by informing them of current activities' impact
- * Provide members' perspectives to the Board on primary care issues
- * Inform the Division's strategic direction
- * Engage in opportunities for collaborative efforts with the Medical Staff Engagement Initiative
Society and Department of Family Practice

In addition to the above representation, we are always open to input and recommendations from all Division members at any time.

Welcome to our Community

Please join us in welcoming the following new physicians and their families to our community.

Dr. Wiaan Bedeker - Quinsam Medical Clinic

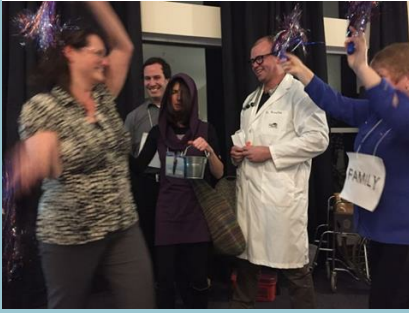

Dr. Eben Nel - The Bridge Medical Clinic

Who is Taking New Patients?

- * Alder Medical Clinic: Dr. Jan Coetzee
- * Cedar Medical Clinic: Dr. Marissa Dry
- * Dogwood Medical Clinic: Dr. Samra Nasir, Dr. Chad Malloff (no Res Care)
- * Quinsam Medical Clinic: Dr. Ninette Fourie, Dr. Ayorinde Dada, Dr. Wiaan Bedeker
- * The Bridge Medical Clinic: Dr. Eben Nel

Enhanced Recovery After Surgery (ERAS) Forum

Thank you to everyone who came out on February 6 for the culmination of a Division SharedCare Project. We had 26 physicians and 13 MOAs join us as we launched the new Pre-Surgery Passport tool and ERAS information that is now available on Pathways. We would also like to thank the Campbell River Medical Staff Engagement Initiative Society for funding this wrap up event.

An entertaining demonstration of the how the passport would work for patients was provided.

GOT PATHWAYS??

We now have 34 of physicians in Campbell River connected to Pathways. If you have yet to receive a user password and would like to fill in the physician information survey to be added to Pathways simply click on [HERE](#) to complete the information. Once completed, please email it to [Julie Collis](mailto:Julie.Collis)

“One-for-all” Approach leads to Recruitment Success on Vancouver Island

When it comes to the challenging task of attracting new doctors to a community, it’s easy to imagine the process turning competitive—especially in a region like Vancouver Island where every community boasts unique natural beauty, family-friendly activities, and reasonable proximity to urban centres. Rather than embracing competition, the 9 Island Divisions, including Campbell River and District, lead a unique approach through the creation of the “Vancouver Island Regional Recruitment Initiative” thereby ensuring, for potential and relocating physicians, a warm welcome to the communities. The collaboration was born out of recruitment situations where all Divisions might have benefited. Read more about the [Vancouver Island Regional Recruitment and Retention Working Group](#) and the "One-for-All Approach" on the Divisions Website and the article which was posted in the [BCMJ](#). A legacy of the collaboration is the islanddocs.com website

NEW E-Forms available for OSCAR Users

BC Pap Smear Requisition eForm - This form is **not** new, but some users discovered issues using it after upgrading to OSCAR v15.

Respiratory Homecare Solutions (2018) - Updated when organization amalgamated all their provincial forms into one in 2018.

NexGen Hearing Referral Forum

BC Standard Outpatient Bone Densitometry Requisition V17 - Updated by a super user for Pathways, using the latest background, also updated to ensure Frax and OST calculators are functioning.

For all details on the above, including links, please click on the **New eForms Button** below.

For instructions on how to upload Zip files, please click on the **Instructions Button** below

Grants and Awards

Physicians for Physicians

Physicians for Physicians understands the complex nature of a physician's professional and personal well-being, so it is their mission to provide both guidance and support to physician colleagues through personalized courses, programs and retreats.

Physicians to Physicians

First Nations Prescription Drug Coverage

On October 1, 2017 First Nations Health Authority (FNHA) transitioned prescription drug coverage to British Columbia's PharmaCare from the federal government's Non-Insured Health Benefits (NIHB) program. The new Plan W was specifically developed for our FNHA clients.

To ensure continuity of therapy, transition period was set-up for clients who should be registered with a provincial agency to receive the related prescription drug coverage. We are encouraging clients to speak with their physicians regarding registration as soon as possible. The specific agencies are:

- BC Cancer Agency
- BC Transplant
- BC Renal Agency
- BC Centre for Excellence in HIV/AIDS

Should you or a patient have any questions please contact us, call our toll-free Health Benefits Support line at 1.855.550.5454 or email [Health Benefits](#)

VI Paramedic Naloxone Kit Program expanding

Starting mid-March, Paramedics in Port Hardy, Port McNeil, Campbell River will participate in the Naloxone program. The target is to replace used Naloxone kits and supply new kits to those at risk. The kits are a key harm reduction measure and another way our paramedics are able to help vulnerable people in our communities.

Strengthening Families Together ~ Helping Canadians Live with Mental Illness

The Campbell River & North Island Schizophrenia Society is putting on 10 weekly educational sessions. These free sessions are open to health care professionals, social services, students as well as family and friends of individuals with mental illnesses.

DTO technical bulletin: Preventing attacks to online services

As many clinics are using online services such as Gmail, Twitter, Amazon, and Apple iCloud, it's critical to ensure appropriate security is in place to prevent hacking.

DTO recommends clinics use login credentials that require two-factor authentication.

Click [HERE](#) for instructions on how to set-up a two-step authentication and to read the latest technical bulletin. Nominate physician representative to join Health Data Coalition (HDC) membership

Nominate physician representative to join Health Data Coalition (HDC)

The Health Data Coalition (HDC) is inviting divisions to choose a physician representative to join its membership. Divisional membership and the use of the HDC application are offered at no cost, thanks to the sponsorship of the GPSC.

Across 15 divisions, 250 physicians are registered, and Intrahealth and TELUS EMR adaptor expansion will further enable 95% of BC's family physicians to contribute and compare HDC data by fall 2018.

To learn more about how the HDC can inform divisional quality improvement initiatives, contact [Cathy McGuinness](#) or visit the HCD [Website](#).

BCCFP Award Nominations due March 31, 2018

The BC College of Family Physicians' (BCCFP) is seeking nominations for this year's peer- and patient- nominated awards. There are two peer-nominated awards.

The [First Five Years of Practice Award](#) recognizes an exceptional family physician in the early stage of his or her career, while the [Innovations in Primary Care Award](#) is open to family physicians or teams working on local innovations in practice or health care delivery that improve patient, family or community care.

Due to the popularity of the patient-nominated [My Family Doctor Award](#), the BCCFP will be recognizing five family

physicians in 2018, one from each of the province's geographical health regions. For more information, visit the [BCCFP website](#).

Island Health Board Announces new CEO

Island Health Board of Directors, is pleased to announce that Ms. Kathy MacNeil has been appointed President & Chief Executive Officer, effective immediately. Press Release is available [HERE](#)

Island Health Board of Directors Meeting in Courtenay

Island Health's Board of Directors will hold its next public forum in Courtenay on **Thursday, March 29, 2018** from 1:30 to 3 pm at the **Crown Isle Resort** in the Ballroom.

The forum will feature a presentation on Island Health's priorities and an update on the integrated network of health-care services in the Comox Valley and Campbell River Hospitals. There will also be an update by North Island Medical Health Officer Dr. Charmaine Enns on population health in the Comox Valley region.
