

UpToDate®

INTRODUCING... UpToDate® Anywhere

UpToDate is now accessible from your mobile phone
and by directly logging into UpToDate!

Who can register for UpToDate Anywhere?

- All affiliated clinical staff members.

Here's what you'll get:

- ✓ **Free UpToDate Mobile App** for your iPhone®, iPad®, Android™ and Windows 8 smartphones and tablets. Our App for iOS devices was chosen as one of "The Best Apps in Publishing" by *EContent Magazine*.
- ✓ **Fast and easy access to UpToDate** from your mobile phone or by logging into any computer with an Internet connection. With your username and password you'll get the evidence-based clinical information you need from home, the office or wherever you are!
- ✓ **CME credits when you research a clinical question using UpToDate on site or remotely** – including on your mobile device.
