Online Resources

and much more!

The Ridge Meadows Local Action Team proudly presents this Child & Youth Wellness Resource Guide to help increase awareness of available mental health and substance use services and resources in our community as well as helpful online resources and technology to support mental wellness.

The development of this mental health & substance use resource guide is supported by the Child and Youth Mental Health and Substance Use (CYMHSU) Collaborative, funded by the Shared Care Committee in partnership with the General Practice Services and Specialist Services Committees; all are Joint Collaborative Committees of Doctors of BC and the BC government.

The goal of the Collaborative is to increase timely access to integrated services and supports for children, youth and families struggling with mental health and substance use issues.

Thank you to members of the Ridge Meadows Local Action Team, the youth and parents, the Leadership Team, members of the Mental Health & Substance Use Program Inventory Working Group and the Ridge Meadows Division of Family Practice for supporting the development of this resource guide.

By working together as a community, we can connect children, youth and their families to a multitude of services that will make our community stronger and healthier.

School District 42

School Counsellors

School counsellors are assigned at both elementary and secondary schools. The role of the school counsellor is to support students in the positive development of their social emotional wellbeing. When students require a more intensive level of support, school counsellors assist families in connecting to community agencies and resources.

How to access: Elementary - speak with child's classroom teacher, school administrator, or school counsellor. Secondary - speak with the youth's assigned school counsellor.

School District 42

Keeping Kids In School

If a child or youth is struggling with school attendance or not attending school due to a mental health concern the Keeping Kids In School team will support both the student and family in the process of developing an educational plan.

How to access: Contact the Vice Principal of Safe and Caring Schools
www.sd42.ca/contact-us/staff-contacts/

Mental Health - Child & Youth | Self-referral

Ministry of Child & Family Development (MCFD)

Program/Service: Child & Youth Mental Health Intake Clinics

*****See pg 10 for Aboriginal Child & Youth Mental Health Intakes*****

Our programs are designed to support children and youth who are experiencing significant difficulties related to their thoughts, feelings and behaviours. Services include: intake and referral; consultations; mental health assessment; individual treatment; group treatment; parenting and child interventions. Concerns most commonly addressed by our centres include: anxiety, depression, severe behavior problems, psychosis and complex mental health concerns. Children, youth and families can begin a referral by attending the CYMH Intake Clinic for a screening interview. This initial meeting will typically be 30-90 minutes in length. Upon completion of the interview, a CYMH Clinician will provide you with information and details on the next steps in the process. There may be waiting lists for services. In Maple Ridge & Pitt Meadows, the Intake Clinic is provided each week.

Location: 22323 119 Ave, Maple Ridge

Cost: No cost

Who is eligible? Children, youth (0-18 yrs) and their families

Self-referral? Yes – no appointments are required for first-time visitors – simply walk-in during the hours listed below. Parents/caregivers are encouraged to only bring the child/youth who is seeking services with them to the Intake Clinic. Older children and youth are encouraged to attend the Intake Clinic with their families. Youth do have the option of attending the Intake Clinic on their own as a private self-referral.

How to access: For children 5 (who have started school) to age 18, visit 22323 119 Ave, Maple Ridge, Thursdays between 9am to 4pm. Please note, there may be a wait for your interview as the Intake Clinic is by drop-in only.

Phone: 604-466-7300

Youth Wellness Centre

A program of Maple Ridge Pitt Meadows Community Services

If you are a youth living with substance use or mental health issues, the Youth Wellness Centre is a safe and informative place. With a referral from your family doctor youth can see the youth psychiatrist for a mental health assessment. After the assessment, youth are often

referred to the youth advocate who helps connect youth with appropriate mental health & substance use programs and services. On Thursdays between 4-6pm there is a free drop-in for youth to meet with the youth advocate to learn about local mental health programs or a family physician to discuss your mental or physical health.

Cost: No cost

Who is eligible: Children and youth ages 8-24 years old living in Maple Ridge or Pitt Meadows

Referral: A referral is required by a family doctor for youth who would like to see the youth psychiatrist. No referral is necessary for the Thursday drop-in (see below) for youth that would like to meet with the youth advocate or a family physician.

Drop-in Hours: Thursdays 4pm – 6pm. Youth are seen on a first-come, first-served basis.

Cocaine Anonymous

Program/Service: Cocaine Anonymous

A fellowship of men and women who share their experiences, strengths and hope with each other so they may solve their common problem and help others to recover from their addiction. The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances. Our primary purpose is to stay free from cocaine and all other mind-altering substances.

Youth Space

A safe place to talk about whatever is on your mind.

www.youthspace.ca

Youth Wellness Phone Apps

Always There

A password protected space for you to log your feelings, flip through a ton of youth-submitted tips, inspirational quotes, and jokes aimed at helping you cope with stress. The app can also connect you directly with a Kids Help Phone counsellor over the phone, or through Live Chat.

www.kidshelpphone.ca/teens/phoneus/alwaysthere.aspx

BoosterBuddy

Manage your personal wellness journey and earn achievements as your sidekick guides you through a series of daily quests designed to establish and sustain positive habits.

www.viha.ca/cyf_mental_health/boosterbuddy

Breathe

Breathe is a friendly, simple tool to guide people of all ages and backgrounds through meditations for mindfulness and compassion.

www.stopbreathethink.org

Calm

Free and easy online relaxation moments

www.calm.com

Companion

The app helps you reframe negative and anxious thoughts, building your mental muscles so that you can cope much better with life's ups and downs.

www.companionapproach.com/the-app

MindShift

MindShift is an app designed to help teens and young adults cope with anxiety. It includes strategies to deal with everyday anxiety, as well as specific tools to tackle certain types of anxiety such as test anxiety, performance anxiety, and social anxiety.
