

Assigned Inpatient Care Program at Comox Valley Hospital

Are you a Resident, New to the Valley, or thinking about a change in practice, diversifying care?

We can help find your best fit in inpatient care!

Explore opportunities at Comox Valley Hospital (CVH): CVH is a 153-bed community acute care hospital that serves a population base of approximately 70,000 people. The CVH has a Hospitalist program, and Assigned Inpatient Care - community family physicians who admit and manage their own (or their call group's patients).

Join us in Inpatient Care!

We can support you!

Recruitment Bonuses: Until March 31, 2027, or funding runs out, the Division is offering \$10 000 per physician for up to 3 new physicians to join an assigned inpatient care call group as a locum or permanent physician with a commitment to providing assigned inpatient care for 1 year.

Peer Mentorship: Until March 31, 2027 the Division will fund peer mentors up to 7.5 hours (at the current sessional rate of \$176.18 per hour) to support new, incoming Assigned Inpatient Care physicians.

Quarterly Payments: In addition to LFP billings to March 31, 2027, the FPSC Inpatient Care funding supports Divisions to provide quarterly commitment and on-call availability payments totaling approx \$5000/ quarter.
