

Celebrating our 25th Anniversary Season | vancouverislandsymphony.com

Symphony Partnership with CORE

The **Vancouver Island Symphony** is celebrating its 25th Anniversary in 2019-2020 Season. We believe that music is such an important pillar in helping to make our community a healthy and vibrant place for everyone to live.

We are delighted to form a partnership with CORE as we know first-hand that many physicians play an instrument or sing in a choir and have experienced music education during their elementary and secondary schooling and understand the value of our work for our community.

CORE Partnership opportunities with the Symphony:

1. CORE Members will receive 10% off premium Symphony Tickets during our 25th Anniversary Season: a \$64 ticket for \$57.60. Tickets can be booked through the Port Theatre (call 250-754-8550 or www.porttheatre.com). Use the codeword: CORE2019 to receive your discount. Check out the concerts at: www.vancouverislandsymphony.com
2. Each year the Vancouver Island Symphony offers 2000 nine-year-olds an opportunity to hear and see a symphony performance on stage at The Port Theatre. A show is created for Grade 4 students and the Vancouver Island Symphony raises the \$30,000 needed to present the shows. The School Districts support the program by paying for busing and contribute a \$1. Per student. The VIS raises the remaining \$28,000 through community support.
 - We would like to introduce our Education Program to your membership as an opportunity to send a class to the Symphony's Education Program at a \$500 sponsorship (100% business write off to the physician). As a community partner in the CORE Program, the VIS will make a donation of \$50 to the Nanaimo Hospital Foundation in your name. Thank you for considering this partnership request.
 - Your Name will be listed as a sponsor of the Education Program.
 - You will receive a framed acknowledgement for your office wall.
3. **An Invitation to Symphony Community Day - Saturday, April 25th, 2020** – bring your children and try the instruments of the orchestra at the **Musical Instrument Zoo** for ages 6 years and up! There will be a craft table where kids can make instruments from recycled materials.
