

## **Board of Directors SELF-NOMINATION FORM: 2021-2023**

The **Thompson Region Division of Family Practice** (TRDFP) supports family physicians and nurse practitioners who are practicing in Kamloops and surrounding areas. The Division's mandate is to improve healthcare in our community, based on our community's needs as seen through the eyes of our own Primary Healthcare Providers. Selections are based on the nominee's commitment to supporting the vision and activities of the Division. Selections are made by self-nomination and will be voted on at the upcoming AGM.

I am interested in serving on the TRDFP Board for a 2-year term beginning September 2021. If I am selected, I am expected to attend up to five scheduled meetings per year.
