

Introducing the

Frail Seniors Team

PCN is a new, team-based approach to health care in British Columbia

What is the Frail Seniors Team?

Your Family Physician or Nurse Practitioner working as a team with Primary Care Network Clinicians to support you and your caregivers

GOALS

- ✓ Improve timely, appropriate care for seniors in a community setting
- ✓ Increase patient health, independence, and safety

Who is eligible?

- ✓ Patients of Richmond family physicians or nurse practitioners
- ✓ Living in Richmond ✓ Aged 70+
- ✓ Have questions or concerns about managing your health or daily living

If interested, speak with your family physician or nurse practitioner about receiving services from the Frail Seniors Team

Benefits to patients

- ✓ One PCN clinician to call for questions and to help coordinate patient care
- ✓ Team approach to care: Access to Nurse, Chronic Disease Management Nurse, Clinical Counsellor, Clinical Pharmacist, Dietitian, Occupational Therapist, Physiotherapist, Social Worker
- ✓ Help accessing community and social services
 - ✓ Home visits by PCN Clinician
- ✓ Free: Services covered by MSP
