**Job Title:** Snuneymuxw Family Doctor

**Employment Type:** Full-Time (1.0 FTE) or Part-Time

**Job posts open** Until filled.

**Compensation:** \$207.77/hour

**Schedule:** Monday to Friday 8 am to 4 pm (excluding holidays)

**Attachment:** 450 clients/1.0 FTE

**TWO Indigenous Primary Care Incentives:**

- 25K signing Bonus per 1.0 FTE.
- 40K Relational Care Incentive per 1.0 FTE

**MOA to work with you.**

**No overhead costs for our physicians.**

**Snuneymuxw hulit lelum has 22 staff that work here at our health center.**

The Snuneymuxw Hulit Lelum Health Centre is seeking a dedicated **Family Physician** to provide comprehensive, culturally safe, and trauma-informed primary care services to community members. Physicians will work within an interdisciplinary team under the **One Canoe Model of Care**, ensuring patient-centered care that respects Snuneymuxw First Nation health perspectives.

### **Key Responsibilities:**

- Provide **direct and indirect patient care**, including assessments, diagnoses, treatments, and ongoing management of chronic and acute conditions.
- Deliver **culturally safe, trauma-informed, and low-barrier care** in accordance with the College of Physicians and Surgeons of BC (CPSBC) standards.
- Participate in **Snuneymuxw Hulit Lelum Family Doctor administrative services**, including chart reviews, medical audits, and peer reviews.
- Collaborate with allied health professionals to provide **holistic, team-based care**.
- **Home Visits** with clients and family.

## Qualifications:

- Licensed (or eligible for licensure) with the **College of Physicians and Surgeons of BC (CPSBC)**.
- Commitment to **cultural humility** and working with Indigenous communities.
- Experience in **primary care, addiction medicine, and chronic disease management** is an asset.
- Ability to work **collaboratively** in an interdisciplinary setting.

## Why Join Us?

- Work in a **community-driven, culturally rooted** healthcare model.
- Be part of a **supportive, interdisciplinary** team.
- Contribute to **innovative Indigenous health initiatives**.
- Our clinic provides all medical supplies and equipment
