

Available from November to May, the home is perfect for professionals, with or without families, who are seeking a comfortable, move-in ready space.

Our home features beautiful ocean views of Departure Bay, as well as scenic views of Sugarloaf Mountain and the greenery of Woodstream Park, which is only 200 meters away. The location is incredibly convenient, just 3 blocks from the beach, close to Drip Coffee, and 3 km from the hospital, making it an ideal choice for healthcare professionals or anyone wanting easy access to the city's amenities.

We've set up the home to be family-friendly, with natural, organic furnishings based on the Montessori approach for children. It's well-equipped to provide both comfort and functionality for renters who need a fully furnished, short-term rental in one of Nanaimo's most desirable areas.
