

The 35<sup>th</sup> Annual Diabetes Directors Seminar  
Vancouver- Friday, October 13<sup>th</sup>, 2023

The Endocrine Research Society is pleased to present the 35<sup>th</sup> Diabetes Directors Seminar – an annual gathering of leading diabetes experts and caregivers across British Columbia.

Join us at the Holiday Inn Vancouver-Centre (Broadway) for a full day presentation series covering the latest and most pertinent aspects of diabetes therapeutics and clinical care.

Target Audience: Specialists and family physicians with an interest in diabetes care, as well as nurses, dieticians, pharmacists and other diabetes educators responsible for diabetes management within their own groups and communities.

Register now as space is limited. Online registration can be found at the following link:
