

Seeking your input!

In support of our members, the South Island Division of Family Practice provides educational opportunities for your staff at no cost to you. For us to understand how we can best support your staff in the upcoming year, we are seeking your input as to which of the following training opportunities you would likely enroll your staff in.

Complete the **survey** for a chance to win a \$25 gift card!

TAKE SURVEY

Learning Hub

Did you know that you and your staff can sign up for a free Learning Hub account [here](#)!

In case you missed it, here is a [link](#) to the **Pathways Webinar Recording** presented on October 19, 2023:

WATCH NOW

Topics covered:

*Introduction to Pathways
Clinician Pathways demo
Patient fillable webforms
Pathways medical Care Directory*

PHSA's Learning Hub provides Community Care Providers and their medical office staff free access to e-learning courses such as Cultural Safety, Diversity, Introduction to Cerner, eHealth (CareConnect) Orientation, Healthcare Ethics, Transgender Cultural Safety and much more. If you are looking for opportunities for you and your staff to learn together, Learning Hub is a great resource!

Preparing for the Transition from Cytology to HPV Primary Screening

To help you prepare for the transition to HPV primary screening in January 2024, the BC Cancer Cervix Screening Program invites you to:

- Review and share the latest [Update Bulletin](#), which includes a brief summary of the changes and steps you can start to take to prepare.
- Register for the webinar on **November 27th**, [Cervix Screening in BC: Preparing for the Transition from Cytology \(Pap Test\) to HPV Primary Screening](#), a collaboration with the University of British Columbia Continuing Professional Development (UBC CPD).
- Bookmark the [HPV Screening Transition](#) webpage for the latest resources.

Stay tuned for more information! If you would like to sign up for email updates, contact Melissa Yan (Melissa.Yan@bccancer.bc.ca).

Locum MOA Initiative

We invite you to do a quick survey regarding Locum MOA Initiative. We appreciate your input!
