

Tips on Finding a Family Doctor in Burnaby

Image source: www.divisionsbc.ca

- 1** Ask a close relative or friend to ask their Family Doctor to take you on as a patient.
- 2** If you are visiting another health care provider, such as a specialist, ask them if they know of any Family Doctors that are accepting patients.
- 3** If you are visiting a walk-in clinic, ask the doctor if they have a family practice and if they would be willing to take you on as a patient.
- 4** Ask if you can be put on a waitlist when you call if they are not currently accepting patients. They can call you when they have room for new patients.
- 5** Connect with your neighbours and ask them how they found a Family Doctor.
- 6** If you are part of a faith based community, ask if there are family doctors within this community that would be willing to take you on as a new patient.
- 7** Visit the College of Physicians and Surgeons website for a list of Family Doctors in Burnaby that are accepting new patients: <https://www.cpsbc.ca/node/216>
