

## Is there anything I need to do?

- If the First Nations Health Authority currently pays for your prescription claims through the Health Canada Non-Insured Health Benefits program, PharmaCare will cover your claims after Oct. 1, 2017. You do not need to do anything to get coverage under the new plan.
- To fill a prescription after Oct. 1, 2017, just present your BC Services Card. In most cases, you will not need to show your status card. Your pharmacist will submit your prescription online as usual and it will be processed under BC PharmaCare.
