#### **Delta Division MOA Network**

- ❖ Eight MOAs completed a CPR-C/AED certification/recertification professional development session earlier this month.
- ❖ Information was forwarded to all MOAs on how to access the webinar regarding the new ICBC reporting changes. They can register for the May 10 or May 15 session at <https://ubccpd.ca/course/icbc-moa-webinar>

#### **FETCH On Line Wait List**

Due to the length of time many residents have been waiting to attach, the Division is currently contacting registrants to confirm that they are still in need of a family physician. This will assist in having up-to-date lists to send to clinics when requested as well as give a more accurate overview of how many unattached residents there are in S. Delta.
