**NOTICE OF
AGM**
ANNUAL GENERAL MEETING

New Pain Management Tutorial on Pathways

Log in to your Pathways account to watch the new video tutorial to learn how to efficiently access and use the pain management resources on Pathways.

Ultrasounds for Inguinal and Umbilical Hernias

Dr. Dave Konkin, FHA Head for General Surgery, has advised that his group agreed that an ultrasound is *not* necessary prior to a referral for inguinal and umbilical hernias. Referrals will not be refused without one.

Baby Daze

The City of Delta has taken over the Baby Daze new parents program effective July. Poster is attached for display in your clinic.
