

# The Foundry

The Foundry is a Public Health and Primary Care Clinic that is committed to ensuring North Shore youth have access to the best healthcare possible. Our clinic is imbedded in Foundry North Shore Youth Services program, designed to provide health services to youth and young adults within a multi-program, collaborative model.

Teams at Foundry include counselling, drop in mental health services, psycho-social rehabilitation, psychiatry and intensive case management teams.

We provide a range of sexual health and primary care service for youth aged 12-24 on a drop-in and appointment basis. Clinic staff include: Family Physicians (GP), Nurse Practitioners (NP), Public Health Nurses and substance use nurses who specialize in youth health. Clients can self-refer or be referred by other health professionals, school staff, youth workers or other community agencies. A Care Card and identification are not required.

The Foundry is looking for 2 part-time Family Physician to join their team. One to work in their Central Lonsdale clinic and the other for their satellite service, which will cover the North Shore to Horseshoe Bay and Deep Cove.

*If you are interested in this opportunity, please contact Tricia Raeburn at the North Shore Division of Family Practice at [traeburn@divisionsbc.ca](mailto:traeburn@divisionsbc.ca) or phone at 778.945.3017.*
