

HEALTH CONNECTIONS CLINIC, NORTH VANCOUVER

Health Connections Clinic provides care for North Shore residents that do not have a regular Family Doctor and face complex medical, mental health, addictions, and socio-economic needs (like limited income, access to food, and lack of social supports). No scheduled appointment or formal referral is necessary to be seen at the clinic.

The team consists of Family Physicians, Nurse Practitioners, a Chronic Disease Nurse, a Social Support Liaison, an OAT Nurse and administrative staff.

Health Connections Clinic is currently looking for a full-time Family Physician to join this collaborative team.

For more information about this opportunity, please contact Tricia Raeburn at traeburn@divisionsbc.ca or phone 778.945.3017.

The clinic is located near Lion's Gate Hospital in the central Lonsdale corridor. Close to many other medical services and specialists, this is an ideal central location.
