

Hollyburn Clinic, West Vancouver

A well-established clinic located in West Vancouver is looking for a General Practitioner to join their practice four or five days a week. There are three permanent family physicians, a Plastic Surgeon and Pediatrician, established in the clinic, each with a separate practice. You will have access to one room/office and use of the treatment room.

This is a full scope family practice clinic, with opportunities to see a variety of patients from prenatal to seniors.

The office is fully furnished, equipped with a full time MOA and an EMR. On call work is available with the Lion's Gate Hospital Call Group. Hollyburn Clinic is located in a medical building with access to a lab, radiology and a pharmacy.

The clinic is located in the vibrant community of West Vancouver, BC, just a short walk to the beach, restaurants, and shopping. The community has the feel of a small town with all the amenities of the urban centre that it is.
