Urgent Patient Attachment Form  
on Pathways

patientservices@nsdivision.ca

To find it search 'Urgent GP'

The screenshot shows a search interface with a search bar containing 'urgent gp'. Below the search bar is a 'Filter My Search' section with two rows of filters. The first row includes 'What?' with a dropdown arrow and buttons for 'All', 'Consultants', 'Health Authority & Community', 'Reason for Referral', 'Clinician Tools', 'Patient Info', and 'Forms'. The second row includes 'Where?' with a location icon and buttons for 'My Local Area' and 'Whole Province'. Below the filters is a message: 'Check out our [directory pages](#) to find consultants, services & tools. For more info see our [search tips](#).' Underneath, there is a 'Forms' section with a link for 'Urgent GP Link Referral Form'. At the bottom, there are partial links for 'Referrals' and 'Healthcare Provider Referral Form (Fraser Health)'.

## Divisions of Family Practice eConsent [divisionseconsent.ca](https://divisionseconsent.ca)

The North Shore Division has created and maintain a method to collect consent for electronic communications.

Direct the patient to the website where there are robust FAQs, they fill out the online form and it gets sent to your office as a PDF, which can then easily be uploaded into your patient record in the EMR.

Note: there is a \$2 fee (to cover the exact cost of the verification tool)

**We will end-date this website at the end of April.** If you'd like to take advantage and get your consent for electronic communications on file, please let me know if you need to update your email address.

## 30% LIMIT ON NON-PANEL SERVICES

UNDER THE LFP PAYMENT MODEL, SERVICES FOR NON-PANEL PATIENTS CANNOT BE MORE THAN 30% OF THE TOTAL SERVICES PROVIDED. PHYSICIANS WHO NEED TIME TO MEET THIS REQUIREMENT CAN SUBMIT A TRANSITION CODE (98001). THE MARCH 11, 2024 LFP PAYMENT SCHEDULE HAS EXTENDED THE END DATE FOR THE TRANSITION CODE TO SEPTEMBER 30, 2024.

DOBC WILL BE WORKING OVER THE NEXT FEW MONTHS WITH THE MINISTRY TO DEVELOP A PROCESS THAT PROVIDES LONGER-TERM EXCEPTIONS TO THE 30% LIMIT WHEN APPROPRIATE.

LFP LOCUM PHYSICIANS MUST SUBMIT THE  
LOCUM REGISTRATION CODE (98005) AND THE  
LFP LOCUM REGISTRATION FORM BY MARCH 31,  
2024. (LOCUMS NO LONGER NEED TO SUBMIT  
REGISTRATION CODE 98000 IN ADDITION TO  
98005.)

## INCORPORATING FACILITY-BASED CARE INTO LFP PAYMENT MODEL

IT IS ANTICIPATED THAT STARTING IN JUNE 2024, SOME FACILITY-BASED SERVICES WILL BE BILLABLE UNDER THE LFP PAYMENT MODEL. TO ACCESS THE MOST UP-TO-DATE INFORMATION, WATCH THE RECORDED PRESENTATION, VISIT 'BC FAMILY DOCTORS' WEBPAGE ON LFP FACILITY-BASED CARE OR DOCTORS OF BC'S LFP PAYMENT MODEL WEBPAGE.
