

# Northern Health Palliative Care ECHO

The Northern Health Palliative Care Consultation Team is providing virtual education and support for front line clinicians, using the Project ECHO Model™. ECHO provides an opportunity for clinicians to participate in case-based learning and education with a group of palliative care experts.

Each session will include a 10-15 minute didactic presentation and then the remainder of time will be spent discussing a case presentation allowing for participant questions and discussion. This format allows for connection to other clinicians across the north and also to the Palliative Care Consult Team.

<b>Sessions will be from 12pm – 1pm</b> <ul style="list-style-type: none"><li>• January 28, 2021</li><li>• February 25, 2021</li><li>• March 25, 2021</li><li>• April 29, 2021</li><li>• May 27, 2021</li><li>• June 24, 2021</li></ul>	<b>Didactic topics may include:</b> <ol style="list-style-type: none"><li>1. Difficult pain</li><li>2. Nausea and Vomiting</li><li>3. Difficult pain – part two</li><li>4. Delirium</li><li>5. Malignant Bowel Obstruction</li><li>6. Spinal Cord Compression</li></ol>
---	---

- You will need use of a tablet or computer that allows Zoom, a microphone, and a camera. You may need to request the IT department to install Zoom on your computer
- The time commitment will be **1 hour per session** plus a session evaluation.
- Participants will be asked to:
  - confirm audio and video access to Zoom before the first session
  - participate and present or discuss cases from their practice
  - complete a post session evaluation

*'In order to support the growth of the ECHO movement, Project ECHO® collects participation data for each teleECHO™ program. This data allows Project ECHO to measure, analyze, and report on the movement's reach. It is used in reports, on maps and visualizations, for research, for communications and surveys, for data quality assurance activities, and for decision-making related to new initiatives.'*

To register, please email Jennifer Ferguson at [Jennifer.Ferguson@northernhealth.ca](mailto:Jennifer.Ferguson@northernhealth.ca) to be added to the ECHO distribution list. More information will be sent out in mid-January, 2021.
