Qualifications/Experience/Interests

- Qualified for licensure under the BC College of Physicians and Surgeons.
- Has a commitment to providing full-service, continuity of care family medicine.
- ER shifts and OR Assists are available.

Work Environment

The clinic is located in a bright, well-maintained medical building within a 5-minute walking distance from the hospital. There are three other health care offices located in the building: one family physician, one OB/GYN, and two general surgeons. The clinic has a welcoming reception area and 4 physician rooms, each with an office space and examination area. Each physician has his or her own panel of patients, but provide cross-coverage for each other when needed.

Powell River has a diverse medical community comprised of over 40 family practitioners and specialists. There is potential to continue practicing at the clinic on a permanent basis.

Technologies clinic has to offer

- EMR: Med Access

Hours of operation

Hours of operation: Clinic is open Monday - Friday (8:30am–5:00pm). Each physician determines his or her own schedule.

Dr. Natalia

Roehlig

Family Physician
CCFP

Natalia Roehlig, has been practicing in Powell River since November 2014, providing full scope Family Medicine. Natalia is a graduate from the UBC Family Practice Residency Program, and moved to the community after hearing about it from friends. Natalia, her husband and young daughter enjoy the natural beauty and the welcoming and supportive community and colleagues in Powell River.

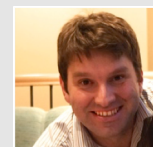

Dr. Danielle

Marentette

Family Physician
CCFP

Danielle Marentette has been practicing in Powell River since 2008, providing full-service Family Medicine. A graduate of the UBC Medical school, she quickly fell in love with the Harvie Ave clinic, lifestyle, and medical community in Powell River. Dani and her husband have 2 young children and they enjoy spending time with family and friends in the outdoors.

Dr. Charles

Van Zyl

Family Physician
CCFP

Charles moved his family from South Africa to Powell River in 2014 after spending time in BC previously in his career. Graduating from the University of Stellenbosch in 2003, he divides his time between the clinic and the ER. Charles and his wife have 2 young children.
