

## COVID-19

What to do if you think you might have it.

**DON'T GO TO A CLINIC**

**USE THE BC SELF-ASSESSMENT TOOL**

Answer questions about your symptoms and receive guidance about next steps.

**CONTACT YOUR FAMILY PHYSICIAN**

If you are prompted to call 811, contact your family physician by phone or online. Many are now offering virtual appointments.

**MAKE A VIRTUAL APPOINTMENT**

If you do not have a family physician or if your family physician is not offering virtual appointments, visit the Surrey-North Delta Division of Family Practice website to book a virtual appointment with one of our family physicians.
