### OVERVIEW

On May 28, 38 FPs, NPs and MOAs participated in a virtual Lunchtime Learning Session to learn about the JPOCSC Heart Health Clinics, including Heart Function Clinic, Lipid Clinic, and Cardiac Rehabilitation. Clinic staff spoke about referrals, how they're triaged, and the patient journey at the clinic. There was also time for a Q&A.

### EVALUATION SUMMARY

- 100% of survey respondents felt that the presentation furthered their understanding of the overall clinic processes at the Heart Health Clinics.
- 100% of respondents have a better understanding of the referral process.
- 100% of survey respondents have a better understanding of the patient inclusion criteria to make a referral to JPOCSC Heart Health Clinics

### IMPRESSIONS

*"Great topic! I have learned a lot about how to send patients to this clinic and how the appointment processes work."*
