OVERVIEW

On November 7, 33 MOAs and office managers enjoyed a meal together and shared their billing knowledge. The goals of this small-group learning session were to learn applicable MOA billing tips from our colleagues, to share our billing knowledge together, and to foster a sense of community.

EVENT HIGHLIGHTS

- This was a first SND Division event for 5 MOAs
- 68% of attendees indicated they felt more connected to their MOA peers in the community
- 100% of attendees indicated they learned something new about billing that they didn't know before.
- An SND PCN Social Worker shared ways that MOAs can support FPs and their patients in referring to this important program
- For many, learning about LFP billing was a highlight of the session

IMPRESSIONS

"Learning I'm not alone in my struggles with billing was a highlight. Very helpful."
