

REFUGEE CARE IN  
PRIMARY CARE

# Physicians Needed for Research

Dr. Catherine L. Costigan, PhD  
Department of Psychology,  
University of Victoria

## Purpose of this Study

We are looking to determine the **barriers and opportunities** that family doctors face when delivering primary care to refugees in BC

## Participant Eligibility Requirement

- Family physician practicing in Vancouver or on Vancouver Island
- Active membership with the College of Physicians and Surgeons of BC

Participate today for a chance to win one of four **\$50 gift cards!**

## WHAT DO WE NEED FROM YOU?

- 10-15 minutes of your time
- Fill in web-based questionnaire on Qualtrics

Please help us improve access to primary care for refugees in Vancouver and on Vancouver Island by providing your perspectives!
