

Is this you...?

- accessed or tried to access cancer screening services in the last 2 years
- did not have a primary care provider during that time
- live in the Victoria/South Island region; AND
- are 30+ years old

Survey open November 27 - December 18, 2023

If you said YES to all

WE NEED YOUR HELP!

Two local physicians and their team are working on a project to improve cancer care for unattached patients living in the Victoria area. This starts by identifying cancer screening needs in our community.

Please take our 5 minute survey to share your experience*

Your input will make a big difference!

... our thanks ...

There will be a link at the end of the survey to **enter to win one of two self care gift baskets** valued at \$150 each!

Click here or scan to take the survey!
