

# Indigenous Healing and Medicines: An Introduction for Primary Care Providers

The Victoria Native Friendship Centre in partnership with the Doctors of BC are pleased to present a series of teachings on traditional medicines.

This is an opportunity to share learnings with primary care providers about Indigenous approaches to plant based medicine and healing.

All events will be hosted at the VNFC  
231 Regina St.  
**Dinner provided**

**Wednesday, October 5th**  
**5:45 – 7:45 pm**

A guided tour of the VNFC garden with teaching about the plants and traditional medicines grown at the VNFC, followed by dinner and discussion

Space is limited.  
Please RSVP to  
[grey.s@vnfc.ca](mailto:grey.s@vnfc.ca)
