

This event is open to new-to-practice physicians, family physicians, physicians who are thinking about slowing down, nurse practitioners, and anyone who is interested in practicing in long-term care.

LONG-TERM CARE VIRTUAL INFORMATION EVENT

**THURS
FEB 9
2023
7:00 PM**

Considering adding long-term care to your practice?
Because we have room!

Join a group of long-term care (LTC) physicians with a variety of practice types as they describe why they love working in LTC and answer any questions you may have.

Participating physicians will be compensated for 1.5 hours at the current DoBC sessional rate
