October 2018 Issue

Suds n Scents was a success!

We introduced a new social media platform, Clinic Corner, which is a resource for Clinic Staff to stay connected with the Abbotsford clinic community. See more below.

Using our Topic-O-Meter, participants indicated CPR and mental health education would be of primary interest. Look for upcoming mental health workshops and see below for the upcoming CPR course.

Clinic Corner Base Camp:

Ever had questions regarding clinic work that you could not find the answer for? Check out the Clinic Corner on Basecamp—a shared virtual space to tap into the resources of the Medical Clinic Community in Abbotsford. We are in the process of developing our Resource Library. [Click here](#) to tell us what information you are looking for and to register for Basecamp if you haven't already.

Can't find the information there? Send us a message so we can assist in the search or post your question on Campfire, so the entire community can share their expertise.
