

## Welcome to the Central Okanagan's Find a Family Doctor Program

### In order to use this program, you must:

- Be a resident within the Central Okanagan
- Not have a Family Doctor in the community.
- Have active or pending MSP coverage (Medical Services Plan – # 1-800-663-7100)

### How to register:

1. Please fill out the following form
2. **Do not email this form as email is not a secure way of transmitting medical information**
3. Please fax or mail this form to:

**Fax:** 1-888-722-1410

**Mail:** Central OK Division of Family Practice, PO Box 22029, Capri Centre PO, Kelowna, BC, V1Y 9N9

4. If you would like to register other family members, please do so on a separate form but provide their names below so we can try to attach you all to the same practice. We will ensure that parents and children will be attached to the same Family Doctor

### Matching to a family doctor:

- We will try our best to match you with a Family Doctor; however, please note that there is limited capacity in the Central Okanagan. You may be placed on a waitlist until a Family Doctor is available.
- This process is to attach people to a Family Doctor who currently don't have one. If we determine you already have a family doctor, we will not match you to a new one.

### Your Personal Information:

First Name		Middle Name		Last Name	
Date of Birth <small>DD/MM/YY</small>					
Address					
Home Phone Number			Cell Phone Number		
Email					

**Is there a preferred community in which you would like to be attached to a family doctor (If available)? :**

- Peachland
- West Kelowna
- Kelowna
- Lake Country

### Matching as a Family

To register other family members,

1. Complete a separate form for each family member.
2. Provide their names below so we can try to attach you all to the same practice. We will ensure that parents and children will be attached to the same Family Doctor.

**Are you expecting to be attached with other family members?**

- Yes
- No

**Please state the name, age and relation of additional family members:**

Name	Age	Relationship to you	Already have a Family Doctor?	
			Yes	No
			Yes	No
			Yes	No
			Yes	No
			Yes	No
			Yes	No

### Previous Family Doctor History
