

MORE OPTIONS FOR HEALTH CARE

City Centre Urgent Primary Care Centre

Thinking of going to the Emergency Department for non-life-threatening conditions?

All Vancouver City Centre residents now have more options for same-day care for non-life-threatening conditions if your family doctor or health care provider isn't available.

Visit the **City Centre Urgent Primary Care Centre (UPCC)**.

ADDRESS

1290 Hornby Street, Vancouver

HOURS

Seven days a week, 365 days per year

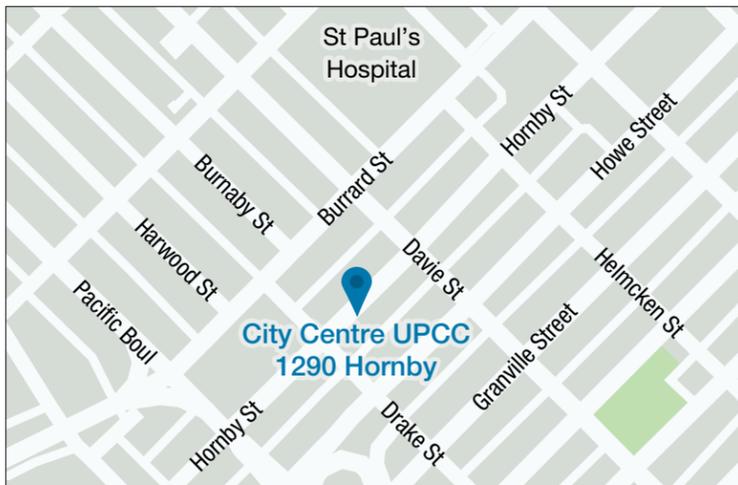

Monday to Saturday

8:00 a.m. – 10:00 p.m.

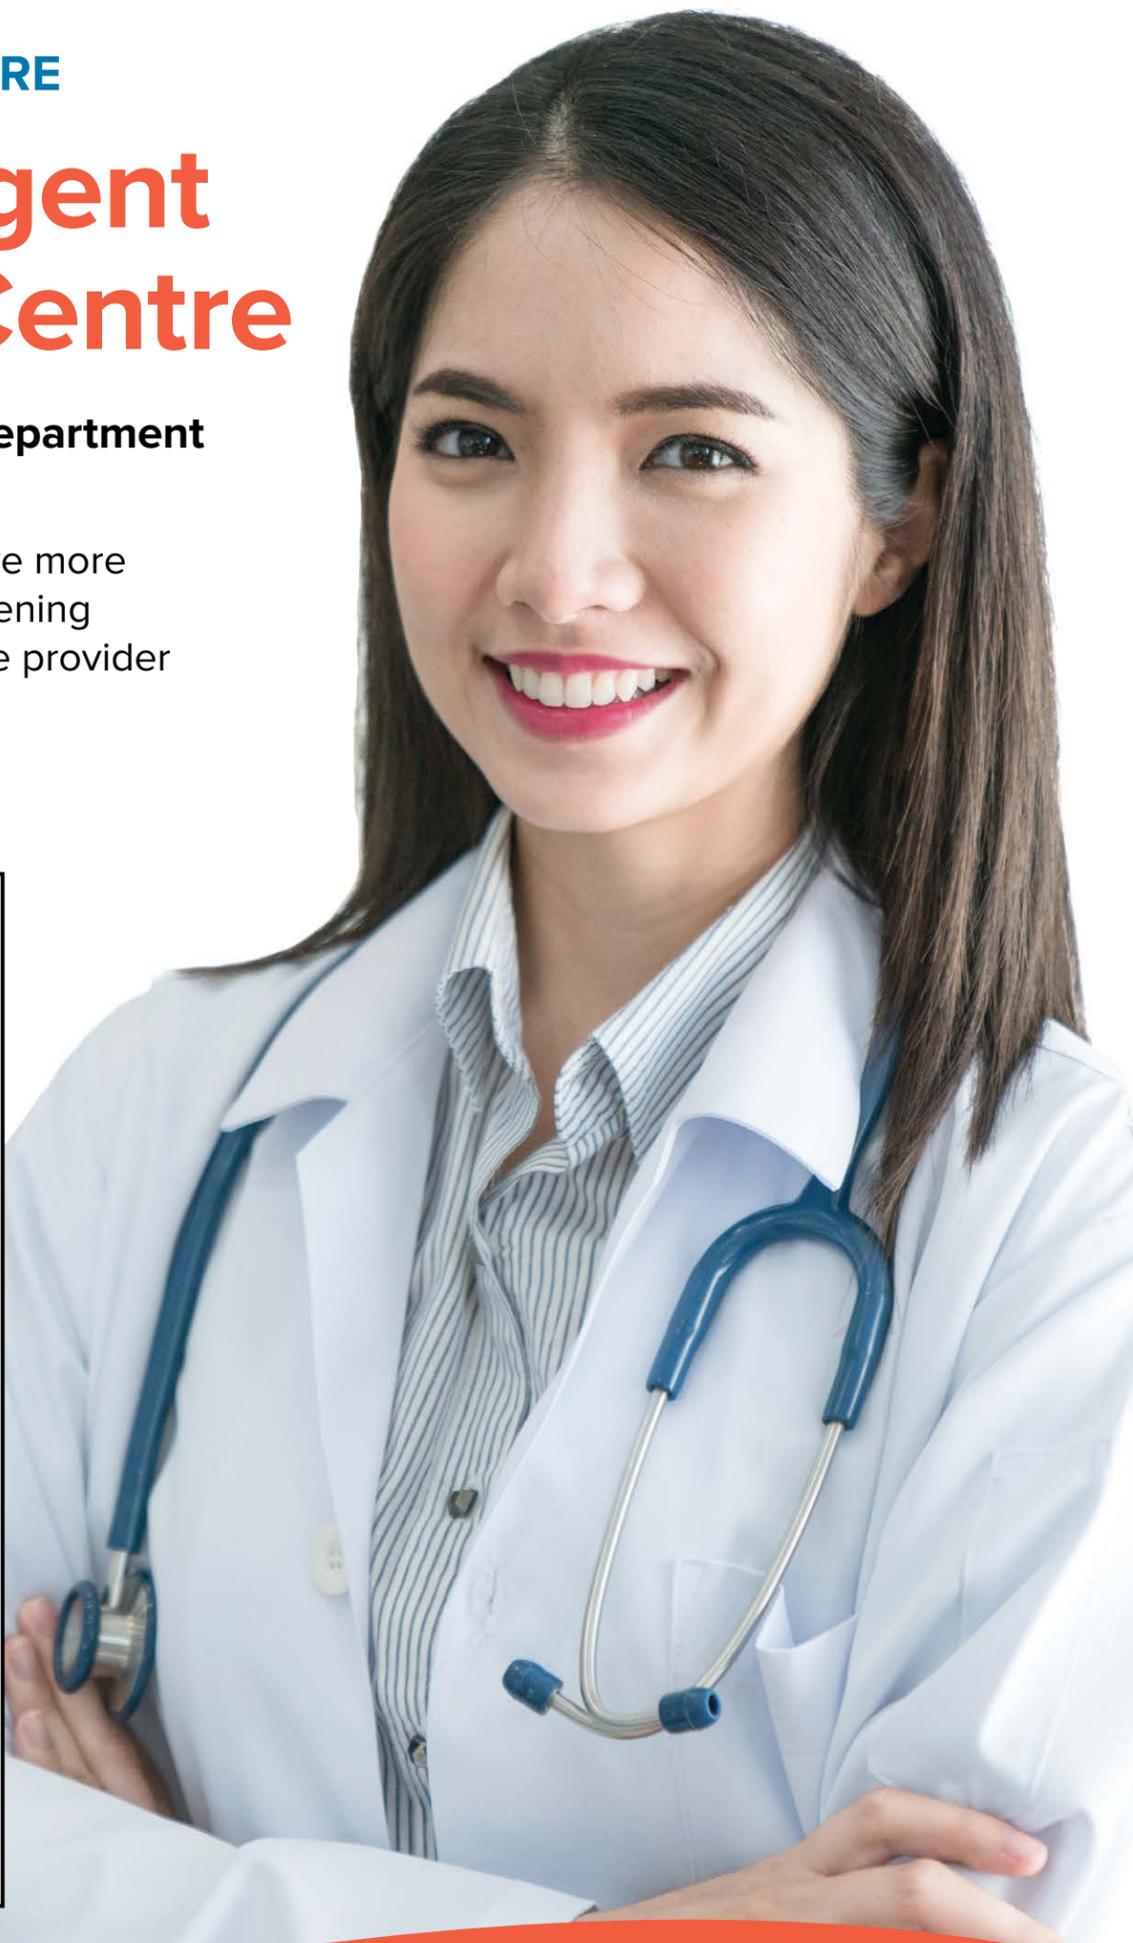

Sunday

9:00 a.m. – 5:00 p.m.

Patients will be seen according to urgency.

WHICH OPTION IS BEST FOR YOU?

Urgent Primary Care Centre

The City Centre UPCC is for **non-life-threatening** illnesses or injuries when you are unable to see your family doctor or health care provider. Visit the UPCC if you are experiencing:

- Sprains and strains
- Cuts, wounds or skin conditions
- High fever
- Infections including chest, ear and urinary tract
- Asthma attacks
- New or worsening pain
- Dehydration/Constipation
- Less serious child illness and injury

Family doctor or health care provider

For **health concerns** call your family doctor or health care provider first. Same-day urgent appointments are often available.

Emergency Department

For **life-threatening** illnesses or injuries go to the Emergency Department to be assessed and treated immediately.
