

The 34th Annual Diabetes Directors Seminar
Vancouver- Friday, October 21st, 2022

The Endocrine Research Society is pleased to present the 34th Diabetes Directors Seminar – an annual gathering of leading diabetes experts and caregivers across British Columbia.

Join us at the Vancouver Holiday Inn Centre (Broadway) for a full day presentation series covering the latest and most pertinent aspects of diabetes therapeutics and clinical care.

Target Audience: Specialists and family physicians with an interest in diabetes care, as well as nurses, dieticians, pharmacists and other diabetes educators responsible for diabetes management within their own groups and communities.

Register now as space is limited. Online registration can be found at the following link:
