

DECEMBER 2018

Welcome Kari Kessler, Medical Practice Operations Coordinator

Kari has been contracted to provide on-site assistance with clinic business processes and procedures as well as computer and software challenges. Please contact her at kkessler@divisionsbc.ca to discuss what support(s) you would like for your clinic, preferred start date and on-site hours.

Assisted Living Pilot Project – The Hub

Members of the AL/IL committee, along with a resident of Augustine House, received very positive feedback for their presentation to Doctors of BC outlining the Health Hub and the impact it is making in the lives of assisted living residents in Ladner. The Division will submit an EOI to expand services in the Hub and eventually into the community.

Physician Office Security Education

This Group Learning program is scheduled for Thursday, January 10 from 6:00 to 9:00 PM at Morgan Creek Golf Course in Surrey. It is certified for up to **4 Mainpro+ Certified Credits**. Medical Office Assistants will receive a 2.5 hour sessional of \$20 an hour. Dinner is included at 5:30 PM. To register, contact delta@divisionsbc.ca.

College of Physicians & Surgeons Library

The College Library is your full service clinical information source. All registered family practitioners are invited to make use of high quality information tools and engage with College librarians to locate literature to address clinical questions. <https://www.cpsbc.ca/library/services-hours/faq-guide>

The Party's Over

Good company, good food, a little spinning of the Wheel of Fortune, and some fancy footwork made up this year's Christmas party. Thank you to all members, clinic staff and guests for making the Division Christmas party a success.

Remember, Christmas sweaters are only acceptable as a cry for help!

Happy Holidays
