PMH/PCH

Thanks to members who have agreed to represent their clinic on the Division's committee. The first meeting is scheduled for Monday, December 12, 6:00 to 8:00 PM in the Education Room, Delta Hospital. We will keep members updated as we move forward.

Assisted Living/Independent Living

AL/IL are often the "residential care patients of yesteryear" and are often difficult to discharge from hospital due to lack of clinical supports, including primary and specialty care. Delta Division is launching an initiative to identify gaps in care in South Delta and potential solutions.
