## Announcement - North Delta Mental Health

The newly-created position of liaison at Delta Mental Health now gives GPs direct access to information regarding services and programs available to their patients.

With the patient in your office, the GP liaison will work with you to determine what services are best for that patient and, if necessary, will make an appointment with that service. The liaison will also schedule an assessment at North Delta Mental Health.

As part of this service, GPs will receive an update on each patient.

Please email or call the number below for assistance or with any questions or concerns you may have.

Email at [renata.arnold@fraserhealth.ca](mailto:renata.arnold@fraserhealth.ca)

Phone (604) 592-3700

Fax (604) 591-2302

Delta Mental Health is located at 129, 6345 - 120th Street, Delta

## Surveys

As part of the A GP for Me initiative, the Division is required to ask our members to complete one on line survey in July and one at the end of March 2016. This is part of the evaluation process to be reported up to the GPSC. Each survey will take approximately 30 minutes to complete and you will be compensated for your time. We will forward more information in the near future.

## Clinic Visits

Thank you to all the physicians and MOAs that took the time to meet with our Executive Director, Project Manager, Recruitment and Retention Coordinator, and Resource Navigator to answer questions and give us feedback. The information received will assist the Division in moving forward with the implementation of our A GP for Me initiatives. If we have not yet been to your practice, we are planning to do so as soon as possible.

The *Delta Hospital Concurrent Disorders Group* brochure is attached for reference.
