New Clinic to Open in Tsawwassen

A brand new, state-of-the-art clinic is scheduled to open at the new Tsawwassen Mills mall in January 2017. Family physicians and trained health personnel will work together to effectively manage and improve the health care of patients.

Recruitment

Recruitment Coordinator Debby McKenzie attended the BC College of Family Practice Spring Conference, UBC Practice Survival Skills Conference and UBC Family Medicine Research Day, netting 84 new grad GP and resident connections. Thanks to Division members Drs. Angus Gilchrist and Patricia Akangbou for assisting at our booths.

Congratulations to Dr. Martin Lipinsky, winner of the Division's FitBit at June UBC event.

Division Membership

We encourage all family physicians to join the Division. The closer we are to 100% enrollment, the more we ensure we're representing the family practice community. Applications can be submitted through the website.
