or 604-943-5591**

**Dr. Chris Lee** has joined the team at View Medical in Tsawwassen and will begin full time practice on November 15. Dr. Lee completed his Doctor of Medicine in the West Indies and completed his residency in Chicago with special training in geriatrics, hospice and palliative care. He is interested in “cradle to grave” family practice with special interest in geriatrics. Please join us in welcoming Dr. Lee to South Delta.

**PMH/PCH**

An invitation was recently forwarded to members asking for one GP from each clinic to sit on a committee to help build a model of a patient-centred health care system that aligns with the 12 attributes outlined by GPSC. This important move forward requires your input. We look forward to hearing from you.

**Dr. Matthew Lewington - Orthopaedic Surgeon**

**Dr. Lewington's office is now open** at #202 - 4515 Harvest Drive, Delta.

**Phone** 604-559-3400

**Fax** 604-564-4300.

An updated Orthopaedic Elective Outpatient Referral form has been forwarded to all GP offices.

**Christmas Party**

Invitations have gone out to members and their office staff for the party scheduled for Thursday, November 24.

*To help us determine catering and venue requirements, it would be greatly appreciated if you would RSVP by November 14.*

**CYMHSU LAT – Public Education Event**

The October 25 event focusing on depression and suicide was well-attended. Speakers and panelists included Dr. Sara Junaid, Andrew Neufeld, Julie Chadwick, Sheila La Rosa, and Lynn Godfrey. Thanks to all our community partners for their participation.

LAT co-chair Dr. Adrian Wladichuk MC'd the event.
