Details to follow

Dr. Matthew Lewington - Orthopaedic Surgeon

Dr. Lewington is now accepting referrals and will be consulting out of Delta Hospital until his office opens in November. His elective practice is knee arthroscopy/sports medicine as well as foot and ankle surgery. He does not do shoulder surgery or hip / knee arthroplasty at Delta Hospital, or spine surgery.

Dr. Charles Wong is now in full time practice at Ladner Centre Medical. He has been with the clinic on a part-time basis and ran the Saturday walk-in clinic.

Division members had two separate opportunities to learn about PCH/PMH. Thank you to Drs. Shelley Ross and Gary Mazowita for facilitating the discussions.

Topic: Child/Youth Depression, Suicide - It's OK to Talk About It

The "A GP For Me" initiative ended on September 31, 2016. We have accomplished much and have had a positive impact on the community. We are now in the impact stage and will carry on the work of recruitment/retention and team-based care. Thank you all for your participation and assistance!

Just a Reminder

The Division website is constantly being updated and gives access to various forms, Pathways, discussion forums, and many other valuable resources. Check it out at

Division Membership

We encourage all family physicians to join the Division. The closer we are to 100% enrollment, the more we ensure we're representing our family practice community. Applications can be submitted through the website.
