Description

The RACE Service is an iPhone app that provides a mechanism for physicians in the Vancouver and Surrey-North Delta area to connect with each other for quick advice on clinical matters. The goal is to provide a reliable, 'easy-to-use' service that supports timely access to expert advice that can result in better collegial interaction and relationships between physicians and increase opportunities for learning. The service is for Family and Specialist Physicians who would like quick advice from a colleague with expertise in various areas. Nurse Practitioners and Medical Residents may also use the service.

Terms & Conditions

Terms and Conditions of Use and Authorization for Release of Information Agreement

Doctors of BC (henceforth referred to as 'The Provider') is pleased to offer you the ability to interact with other physicians in British Columbia online via a Web/Mobile App-based version of the Rapid Access to Consultative Expertise Service also known as the RACE App (henceforth referred to as 'the application'). This application and related services are subject to compliance with the terms and conditions set forth below. Please read the following information carefully. To request an account, read and complete this form, indicating you have read, understood and agreed to these Terms & Conditions of Use. BY USING EITHER THE WEB OR MOBILE APPLICATION, YOU ACCEPT AND AGREE TO OUR TERMS & CONDITIONS. If you do not agree to these terms and conditions, you may not access or otherwise use the application. You are free, however to access the RACE Service via phone.

Patient privacy is important to us. You must use patient information obtained via RACE App only in order to provide health care services. Users are to take reasonable precautions to maintain patients' confidential medical information. Information shared between professionals is to be kept in strict confidence. The Provider will not deliberately disclose any information regarding you or the patient to any unaffiliated third party unless the information is required to be disclosed by law.

These Terms & Conditions set forth below outline our practices and our sensitivity to you and your patient's right to privacy. The Provider reserves the right to revoke RACE App access to anyone, at any time, for any reason.

Proprietary Rights

The contents of the application, such as text, publications, newsletters, articles, graphics, images, HTML code, Javascript/CSS code, the selection and arrangement of information ("Materials"), are protected by copyright and other intellectual property laws under both Canadian and foreign laws. The copyright, patent rights, trademark rights and all other ancillary copyrights in the application remain the sole property of The Provider. Unauthorized use of the Materials may violate copyright, trademark, patent and other laws. Your use of the application does not grant to you ownership of any content, code, data or materials you may access on or through the application.

License:

You are granted a limited license to use the application, provided the application is not modified and a copy of these terms of use and disclaimer is attached to any copies that are made. You may make single copies or prints of the content on the application for your internal use only. Any unauthorized sharing information is prohibited. All rights not expressly granted herein are reserved. None of the documents or content in the application may be otherwise reproduced, re-published, re-disseminated or otherwise provided in any manner or form without the prior written consent of The Provider. You may not sell or modify the application or reproduce, display, publicly perform, distribute, or otherwise use the application in any way that is unauthorized by The Provider. The use of the application on any other web site or application for any purpose is

A screenshot of a login screen with an orange background. The text "Do you have an account with the RACE app?" is centered. Below it are two buttons: "YES" on the left and "NO" on the right. The "YES" button is circled in black. The background features a repeating pattern of the RACE app logo, which consists of two stylized 'a' characters above the word "RACE".

Do you have an account with the RACE app?

YES NO

STEP 4 – Congratulations!

You have successfully logged into your account for RACEapp+.

Requests for advice can be found in your inbox.

Your inbox will look like:

The screenshot shows a mobile application interface. At the top left, there is a '< BACK' button. Below it, the title 'Received Requests' is displayed. Underneath the title, the name 'Nicki Ordano' is listed with a right-pointing arrow and the word 'REQUESTED' below it. A callout window is overlaid on the right side of the screen, containing the following information:

NAME
