

MARCH 2018

MARCH IS  
NUTRITION MONTH

#### **Dr. James Park to Retire**

Dr. Park is retiring as at March 26. The Division acknowledges and thanks Dr. Park for his many years of dedicated service to his patients and his leadership on the Division board and committees. We wish him all the best!

Please join us in welcoming Dr. Ray Ng to the community. Ray will take over Dr. Park's practice at Tsawwassen Medical Clinic. Originally from BC, Ray studied medicine in Canada, the USA and the Caribbean, completing his residency in underserved communities in Ohio.

#### **Thank You for Your Help**

Thanks to all members and their staff for assisting with various forms of data collection (clinic visits, EMR statistics and the physician survey). Information gathered is critical as the Division prepares to build a case to support physician needs and help leverage clinical services in the community.

#### **Member Event – Integrated Care**

Please join us on **Thursday, April 26** to review all of the information collected and develop direction and recommendations for next steps. An application will then be submitted to allow for continuing the work on PMH (Integrated Care). Your engagement ensures that your voices will be heard at the provincial level.

#### **Assisted/Independent Living – The “Hub”**

The Division is pleased to announce that we have been approved for a year-long pilot project for Assisted/Independent Living at Augustine House. Check your email for updates.

#### **Delta Mental Health - Learning Module 3**

##### **“Management of Schizophrenia With Comorbid Physical Health Conditions”**

April 27, 2018 - Speaker: Ofer Agid, MD, Psychiatrist

Delta Mental Health (South), 15 – 1835 – 56 Street

11:45 – 12:00pm – Registration

12:00 – 1:00pm – Scientific Presentation

Lunch will be served RSVP to Don Abadia by April 23 [dabadia@its.jnj.co](mailto:dabadia@its.jnj.co)/778-773-8152

#### **Coming Soon! Walk With Your Doc**

Doctors of BC invite doctors and their patients throughout the province to participate in a short walk for health and wellness. South Delta's walk is scheduled for **Saturday, May 12** at Tsawwassen Mills. Details to follow.
