N Delta – W Newton Neighborhood Network Kick-off Event Summary August 15, 2019

A total of 14 physicians from North Delta and West Newton neighbourhoods were involved in the conversations and came together to connect and share ideas

Participants appreciated hearing and sharing other each others concerns and ideas, and they valued meeting, networking and dialoguing with colleagues. They discovered they shared common goals, interests and concerns.

The Surrey-North Delta Division of Family Practice held the 1st North Delta-West Network Neighbourhood Kick-off event at Division office on August 15, 2019.

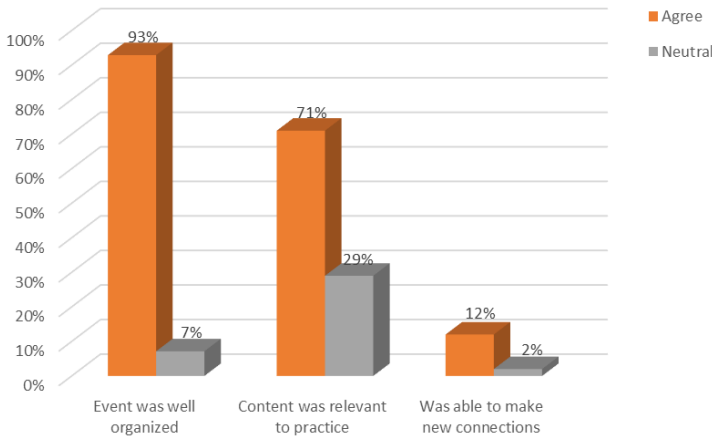

Focus Areas

Four areas of focus were explored, exposing a need for RN and allied health supports, networking with physicians and other consultants, and MOA training.

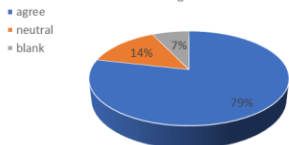

- Clinical Needs
- Compensation
- Networks
- Business Needs

Fourteen participants shared their evaluation of the day and the majority felt the event was valuable and they were able to make connections with other participants.
