

Surrey & North Delta MOAs! RSVP for April 25th

The Surrey-North Delta MOA Network invites you to:

Medical Equipment Sterilization MOA Network Learning Event

Join us for a learning event to review the basics of sterilization of medical equipment in your family practice, presented by Rechelle Hetherington from the MOA Network Committee. This event will include College of Physicians and Surgeons of BC guidelines to ensure your office is prepared for an audit. There will be time for small table discussion, so bring your questions on sterilization, as well as your ideas and thoughts about resources that could support MOAs as they support family physicians in the office.

5:30 PM Registration & Dinner
6:00 PM Sterilization with Rechelle Hetherington
6:40 PM Dessert & Coffee Break
7:20 PM Wrap-up & Door Prizes

Address: 7929 152 Street • Surrey, BC • V3T 0G9

This is a **free** event for MOAs working in Surrey and North Delta. Complimentary dinner will be provided for all attendees.
