

Our Strategic Approach 2023-2025

Family Physicians, Clinics & Patients

“Focus”

We will be known for being:

- focused on members
- the credible place to go
- leaders
- a trusted partner

Community Collaboration

“Co-creation”

Connection

Medical Community Partnerships

“Leadership”

Connection

Develop our leaders, Support our
people & Build our culture

“Resilience”

“Leading the future of health care in our community.”
