The purpose of the IM/IT webinars is to get clinical feedback on provincial/ regional projects/programs in BC. The gap reported by physicians has been the need to ensure more clinical input into projects that affect MDs. Please contact Brigette Mettler - 250-877-1412 or bmettler@doctorsofbc.ca

You are *invited to participate in a survey* that will explore your views on *partner notification for reportable bacterial STI* in order to develop a toolkit aimed at Family Physicians. This survey is conducted with funding from the PHSA (Provincial Health Services Authority), Drs of BC and organized through the BC Centre for Disease Control.

HOSPICE BEDS AT YUCALTA

The long awaited four community hospice beds will be coming to Yucalta Lodge at the end of February 2017. Holly Anderson, the Palliative Care Coordinator, will be orientating and educating health care providers across the care continuum through January and February 2017. She will be coming out to medical clinics during booked early morning or lunch sessions to disseminate information to physicians on patient profile, the referral and admission process, admission order sets, as well as to review new resources and documents.

Holly Anderson RN CHPCN© can be reached at holly.anderson2@viha.ca or at (250) 850-2184 for more information or questions.
