

AN INVITATION TO JOIN THE TRANS CARE BC CLINICAL SPEAKER SERIES

J. Matsui De Roo

Registered Clinical Counsellor

**SEPTEMBER 16, 2020
6PM-8PM**

J. Matsui De Roo (they/them/theirs) is a registered clinical counsellor and clinical supervisor who offers anti-oppression based education, supervision and guidance for mental health, medical and front line workers with an area of focus in Two-Spirit, trans, non binary and gender diverse wellness.

In this session, Matsui will discuss the history and present day landscape of gender-affirming care. Using a trauma-informed, patient centred lens, they will discuss strategies and considerations for offering gender-affirming care, with a focus on low barrier hormone and surgical readiness assessments.

Trans Care BC's **Clinical Speaker Series** is an opportunity for registered health care providers to learn from experts providing gender-affirming care and support to trans, Two-Spirit, and gender diverse people.

Trans Care BC invites registered clinical counsellors, psychologists, psychiatrists, physicians, nurse practitioners, nurses, social workers, and other registered health care providers in B.C. to join J.Matsui De Roo at the upcoming Clinical Speaker Series.
