The Victoria Society of Obstetricians and Gynecologists is once again hosting its annual Gynecology Update as a virtual one-day conference for primary care and allied health providers, with updates on a wide range of topics.

Clinical experts will share their knowledge on a variety of topics, including:

- Chronic/Recurrent Vaginitis with Negative Swabs
- Overactive Bladder and Urge Incontinence
- Trauma Informed Care
- Recurrent Pregnancy Loss
- Female Sexual Dysfunction
- Fibroids and Fertility
- Etonogestrel Implants
- Colposcopy Counselling
- To Ablate or Not to Ablate?
- *And Much More!*

We hope you'll be able to join us in January from the comfort of your home or office. Until then, join the conversation online:
