Support Group for Families of Residential Care Patients

When: 2nd Tuesday of every month

Where: Delta Hospice, 4631 Clarence Taylor Crescent

This drop- in group is aimed at family caregivers in the community but also follows their support when they transition into residential care. They problem solve and educate on legal and financial issues, where to go for help, dealing with challenging behaviours, care of the caregiver, and life and lifestyle changes. They also run a 6 week education and support course twice a year and charge \$40. For further information, contact pettmanlaurie@hotmail.com Tel: 604-943-3921
