⇒ WORK ENVIRONMENT

The shared family practice offers high-quality, comprehensive primary medical care to the residents of Powell River. Our doctors are dedicated to achieving the best possible health outcomes for their patients through a collaborative, patient-centered and evidence-based clinical approach. The clinic is located in a bright, well-maintained medical building within a 5-minute walking distance from the hospital. There are three other health care offices located in the building: one family physician, one OB/GYN, and two general surgeons. The clinic has a welcoming reception area and 4 physician rooms, each with an office space and examination area. Each physician has his or her own panel of patients, but provides cross-coverage when needed. Powell River has a diverse medical community comprised of over 40 family practitioners and specialists. There is potential to continue practicing at the clinic on a permanent basis.
